3 Simple Ways To A More Balanced Life

One of the first things we tend to sacrifice when we're busy is our personal time. Instead we devote all of our energy and attention to caring for others, multi-tasking, meeting responsibilities and "being productive." Over time this depletes our energy and we begin to feel more and more burdened by our responsibilities.

Managing Your Frequent-Flyer Miles

According to some reports, 100 million members of frequent-flyer programs are holding at least 3.5 trillion in unused miles. Frequent travelers track their memberships and miles carefully, but people who have racked up significant miles often don't manage them in a way that they do their other financial assets, failing to make certain that their frequent-flyer miles continue to provide a benefit in the event of unforeseen circumstances.
