4 Ways to Lead During Turbulent Times

Your natural instincts may be to slow down and be cautious given the gravity of the circumstances, but the counterintuitive answer is right. Step on the gas. Get out in front. Your organization needs skillful leadership today-"for such a time as this."

Know the Effect of Bankruptcy on Your Ability To Buy a Home

A lot of people go through the same thing, that is, when they are behind for a couple of months on their home, they just want to escape from it and declare bankruptcy. What they do not know is that they will be very much affected by this if they decide to purchase a home again the next time they think they are able again.

Year-End Tax Planning Ideas for 2009

By Ron Cohen, CPA, MST

As we approach year-end, it's again time to focus on last-minute moves you can make to save taxes-both on your 2009 return and in future years. The federal income tax environment is very favorable right now, but it is not likely to continue much longer. Now is the time to take advantage of the tax breaks that Congress has provided before they disappear.
